NON-DELEGATED FREQUENTLY ASKED QUESTIONS

In an ever-changing environment, your business requires partners with an established track record. The Pennymac Non-Delegated model will keep your business in motion, employees employed, and be your support in taking your business to the next level. Our model allows you the control from the point of loan origination to selling the loan to Pennymac. We will ensure each loan meets eligibility criteria for a salable loan. Pennymac Loan Services, LLC is your next step to Seller independence!

We invite you to join a conversation with a member of our experienced sales team. Please reach out to us soon and check out GOPENNYMAC.COM.

General Information

1. What is the criteria to become a Pennymac Non-Delegated Seller?

Companies and financial institutions with an established warehouse line(s) or ability to self fund loans seeking a relationship to manage all functions except the credit and appraisal underwrite, which we refer to as "Eligibility Review".

2. What is the Pennymac Non-Delegated model?

Pennymac will underwrite the credit file and appraisal to Agency and our published overlays. Our model is streamlined for efficiency and turn time.

4. When will training on your process be provided to our support staff?

Your Account Executive will reach out to schedule your onboarding training once you have been approved.

5. Who does the Seller contact for assistance with loans in process?

The Seller is assigned two Pipeline Account Manager (PAM) points of contact. One PAM is for the upfront submission to clear to close and a second PAM for the closed loan file to purchase.

6. What products are available to the Non-Delegated client?

We offer Fannie Mae, Freddie Mac, HomeReady®, Home Possible®, HomeOne, Conventional SOFR ARMs, Jumbo, FHA, FHA Streamline, VA and VA IRRRL. Texas (a) (6) approval is available with product experience.
